Dear Hanshi Chalmagne and the fellow Belgium DNBK members:

It is my true pleasure to send this special message to you and honorable members of Dai Nippon Butoku Kai on the auspicious occasion of your fine Budo event to be held in your great nation.

On behalf of Sosai, Higashifushimi, his Royal Highness, we wish to extend our deep appreciation to you and everyone attending in this event for the promotion of DNBK Butoku spirit and outstanding development of traditional Budo skills.

As you know, we firmly believe in the essence of Bushido samurai principles as the backbone of the long-standing nobility. We hope you will cultivate the core skills, impeccable discipline and sharpness of all Budo principles with great enthusiasm and dedication.

We hope all of you will enjoy the special occasion of this event as you will celebrate the spirit of DNBK and share the camaraderie of fellow friendship inspired by all members. We wish to thank you for organizing this event for the great benefit to all our members who will be partaking in this function.

Lastly, we wish everyone will have a great success in this Taikai and give much spirited energy together and we truly hope to see as many of you as possible in America Butoku Sai in Norfolk, November 2010, Canada Butoku Sai in Ottawa, July 2011 and the Fourth World Butoku Sai in Kyoto, April 2012.

Best wishes,

Tesshin Hamada, Hanshi
