

Hanshi Chalmagne,

May I extend my hearty congratulations to you that your Soke title of Inyo Kan Aikido is officially approved by DNBK ID.

You are now the head of officially registered Iemoto, founder of specific Ryu school of Budo discipline.

I shall have a brief official ceremony to bestow the Soke title for you during this America Butoku Sai period.

Official Mon designated shall be awarded at that time.

You may use this Mon as the landmark of your Ryu Ha.

Traditional Samurai and Budo leader used the Mon pattern to identify his family lineage and thus, it is duly appropriate for you to have this in your legacy. I shall select the Mon based on your Budo philosophy of Inyo.

Further instructions to follow.

Best wishes,

Tesshin Hamada
